family member attending.*

www.swe-lvv.org

PRICE: \$5 per person

Clark County Wetlands Park, a 2900-acre, seven- by one-mile strip of land on the eastern edge of the Las Vegas Valley, borders both sides of Las Vegas Wash as it flows past Frenchman Mountain and the red sandstone of Rainbow Gardens on its way to Lake Mead. In the largest open space in the Valley, the Park's trail system encourages public recreation, leading visitors to appreciate the area's natural wonders and linking to neighboring trail systems, north into Rainbow Gardens and east to the River Mountain and Lake Mead trails.

**Society of
Women Engineers**

ASPIRE • ADVANCE • ACHIEVE

The Society of Women Engineers (SWE), founded in 1950, is a not-for-profit educational and service organization. SWE is the driving force that establishes engineering as a highly desirable career aspiration for women. SWE empowers women to succeed and advance in those aspirations and be recognized for their life-changing contributions and achievements as engineers and leaders.
